Subject: Proposed Changes to SBV Park Rules
To:

Owners will have recently received a letter from Adam Foskett which was accompanied by two sets of proposed rules, one being proposed changes to the Park Rules for all owners, and one being a new set of proposed Sub-letting Rules for those owners who wish to sub-let their holiday home.

Those of you who are familiar with the new licence will know that there needs to be discussion with owners before any changes can be made. Of course the existing Park Rules apply until such discussion has taken place and agreement has been reached. Changes to park rules are not a means of changing the licence terms and conditions to which we have signed our name.

The process of discussion has now started.

Ro Burbridge worked with Anne Foulkes last year to arrive at the set of rules which accompanied the new licence which we signed in the Summer. It seemed only sensible to ask her to meet with Anne for these discussions.

Owners will be kept informed of progress via email, post and the Owners' Association website. Of course this will also be the subject of discussion at the General Meeting 5th April 2014 at 5pm in the new Baptist Church in Victoria Avenue, followed by refreshments.

If you have comments about the proposed rules, then please feel free to send them to the Committee
