Dear Andy,

Thank you for your note of 8 October.

Our intention is solely to be open and honest and to keep staff in the picture. As you will be aware, most of our correspondence is not placed on the SBOwners website, just the letters from Darwin.

Is there another person to whom we should send copies of our correspondence so that the office/reception/sales staff are kept fully informed?

Yours sincerely,

Bay View Caravan Owners Association

Hello Bay View Caravan Owners Association

Many thanks for the copy of your response. FYI please can you not sent copies to Jen Davies and Lara Davies as they don't need to be copied in.

Kind regards

Andy Bennett
