Subject: Meeting on 27 October - see you there

24 October 2012

Hi all again

Meeting on 27 October at 5 pm in the Quarryman Bar

We show below our reply to a letter from the park manager, and his letter to us.

As you can see, both are self-explanatory.

In our view, and we are sure yours, it is quite unreasonable for the park manager to try to disrupt our meeting on 27 October at such very short notice. Additionally, his reasons for doing so are invalid anyway as we explained in our reply to Anthony Esse on 4 October (you have a copy of this letter).

We'll see you on 27 October at 5pm in the Quarryman as planned.

Dear Andy

Further to your email of late Monday, we are very surprised at your actions at preventing owners and holiday-makers from holding their pre-planned General Meeting (on 27 October) in the Quarryman at such very short notice. All who attend are owners and holiday-makers and no distinction can be drawn between them.

We do not understand why you have done this, as we actually represent the owners, and contribute a large amount of our fees towards the upkeep of the Vista. It is certainly a building they will expect to be able to hold meetings and get-togethers in if they wish to. On no occasion have they ever interfered with those few members of the public who may also be there at the time,

Whilst we have tried since late Monday to locate an alternative venue, it has proved impossible as we expected at this time of year.

Will you please therefore not prevent your customers, the owners and holiday makers, using the Quarryman for a get-together, as planned, on Saturday, 27 October.

We look forward to hearing from you as asap, as all this is in such short notice.

Best wishes

Dear Sir

Regarding your e-mail dated the 9th October 2012 and today addressed to Anthony and me . As per our letter dated 27th September 2012 Darwin no longer recognises the Bay View Owners Association and this will be the last communication from us.

The executive of an association of caravan owners will not be permitted to hold meetings and conduct business in any part of The Vista as this is a place for owners and holiday makers to enjoy the facilities in an unfettered way .

Yours sincerely

Andy Bennett
