Sad News, May 2014

It is with great sadness that we have to tell you of the passing of John Sutton. John and his wife Eva have served for years on the Committee with particular responsibility for environmental issues.

John and Eva have regularly organised an annual "culling" of the Sycamore saplings each Autumn where OA members and Dorset Wildlife Trust staff cut down as many new Sycamore saplings as possible on the Townsend Nature Reserve. John and Eva have recently been working with DWT, the Forestry Commission and Andy Pompey at SBV to arrange for the felling of the large Sycamore trees which so restrict the view of many owners on SBV.

This work has taken great patience and has shown just how dedicated John and Eva have been to the cause. Although his loss will be felt on the Committee, it can in no way be compared with the loss which Eva is now experiencing. Our thoughts and prayers are with her and the family at such a sad time.

Phil Davey Chairman and the BVCOA Committee
