Reports for the General Meeting on Saturday 7th April at 5.00pm

Secretary's Report – March 2018

It's been a quiet winter on the Secretarial/Membership front with just 2 new members joining the association bringing the total membership now up to 180

There's been a couple of cases of new owners taking over caravans which were previously owned by Association members and with the new rule of 3 year membership, this carries over to the new owners so that they automatically become members, whether they know about us or not! So please be aware that if there is a new owner of a caravan near you, please do let them know or alternatively, let us know so that we can go and tell them and get the new details.

Likewise, if a new van arrives on a plot near you, keep an eye open for the new people and let's get them into the Association.

As always, please do let us know of any changes to your address or email address so that we can keep our records up to date.

Some of you may be aware of new Data Protection regulations coming into place in May which affect the way any business or organisation keeps their records and we are looking into what the Association needs to do to comply and we may need to ask you to sign an agreement which permits us to hold sensitive information, such as your name and details on a computer. If that is the case, we will let you know.

Treasurer's mini report – March 2018

We currently have £2,334.69 in the bank. As you will be aware there are no subscriptions to pay for the 2018/2019 membership year except for new members to the Association. Last years audited accounts may be found on our website
