Dear members,

We hope that you are as excited as we are with the approach of our next General Meeting on Saturday 27th October at 5pm in the Quarryman Bar.

We have sent invites to Anthony Esse and to Andy Bennett to invite them to speak to you prior to the meeting starting. We think that the time this takes will be well worth it.

We hope that you have been using the re-launched Owners' Association website where we have been placing all the latest correspondence - www.bayviewowners.co.uk. There has been so much happening and updates have been frequently posted. Our thanks to Jonathan Briggs for producing such a fantastic website that so suits our purpose, as things are moving on apace.

We have been continuing to work towards getting the opportunity to meet with Darwin. Obviously the proposed licence replacement has been high on the agenda of the Committee and extremely time-consuming too. Meetings have taken place with NACO and we have been able to work closely with them to produce the draft licence that has been submitted to Darwin and is available for you to review on our website. NACO are continuing to work with Darwin to see if we can finalise a draft licence that can be recommended to the owners to replace the existing licences (Darwin have said they want one licence for the whole of the site) and which will incorporate the needs of both Darwin and all owners.

Please see if you can be in attendance at the next General Meeting which will start at 5pm in the Quarryman Bar in the Vista Centre at Swanage Bay View. Our grateful thanks to the staff of the Vista who work hard to set out all the chairs for this meeting.

If you have a question for the Committee to answer at the General Meeting, please send this to our email address bayviewcaravanownersassociation@yahoo.co.uk

If you will not be able to attend please reply to the same email address so that we know of your absence.

The unapproved minutes of the July 2012 AGM will be posted on www.bayviewowners.co.uk.

These will not be voted on and signed off until the next AGM in July 2013, but will be published so members can see them and because some items will come up at the General Meeting on the 27th.

We shall continue to work for you and with the SBV staff towards the Aims of the Association.
