Celebrate

On Tuesday 16th July we had the chance to meet together to celebrate the new licence at Swanage Bay View. The celebration was attended by Anne Foulkes and Adam Foksett representing Darwin, Steve Munro and Dan Ellacott from NACO, members of the Owners' Association Committee who had worked with NACO to draft the new licence on your behalf, and a few other members.

Our thanks go to all the members who stood together and supported the work of the committee in getting a licence which is undoubtedly the best in the industry in England.

Adam Foksett, Dan Ellacott, Phil Davey, Steve Munro and Anne Foulkes

This is a licence which can now be taken by NACO to help improve the terms of thousands of other holiday caravan owners.

NACO will now compile an article for their magazine which will be seen by thousands across the country. It is our hope that this new licence will just be part of the continued improvements within the holiday caravan industry of terms and licences. The task of improving such terms and conditions is still ongoing, your continued support is essential as the job is not over. Together we can achieve even more. A fuller account will be included in the next newsletter.
